

## **VESAG health watch is now available in Jamaica through Guardsman Alarms as GMedic Medical Response**

KINGSTON, Jamaica August 15, 2012 - Vyzin Inc a New Jersey based corporation and creator of the mobile health brand VESAG has announced a new partnership with Guardsman Alarms a member of the [Guardsman Group](#) Limited headquartered in Kingston, Jamaica. Guardsman Alarms will distribute and support Vyzin's VESAG product line to customers throughout Jamaica. VESAG is a Mobile based Personal Emergency Response System (MPERS) that provides users connectivity and health monitoring without confining the user to their home. Vyzin Founder and CEO Rajendra Sadhu said "We are very excited to partner with Guardsman Alarms as their expertise with personal security is a natural fit for our MPERS solution."

Speaking at the launch function Mr Kenneth Benjamin, executive chairman of Guardsman Group said "We are hoping that very soon this product will be very popular in Jamaica and Guardsman is launching a real mobile health device not a traditional push button like device".

VESAG mHealth watch is designed to track patient vitals, providing preemptive medical care and avoiding emergencies. The medical watch includes tracking features and collects patient parameters such as pulse, EKG, pulse, oxygen saturation, body weight, heart rate and blood pressure. Data is wirelessly transmitted to a web portal for monitoring by a medical call center. The device can be worn as a watch or a pendant and does not confine the wearer's location due to the use of GPS and GSM technologies.

Convenient Ambulance Service is provided for all the subscribers of GMedic Medical Response from Guardsman as part of the service. A dedicated telephone line (876) 929-3299 is created for those who are interested to purchase VESAG Health watch in Jamaica.
